

## Bubble Tea and BUNN Infusion Series®

Unlock this trending beverage with the platform that set the standard for batch brewing

### What is Bubble Tea?

Bubble tea is an on-trend beverage popular with Gen Z and Millennials that is taking the foodservice industry by storm! This tea-based drink commonly consists of a strong concentrate tea base, often made with black or green tea leaves or pearls, with chewy tapioca balls referred to as "boba" or "pearls" and additional flavoring or toppings.

### A New BUNN Solution

Add Bubble Tea to the menu with the new Bubble Tea Kit for BUNN Infusion Series. Easily upgrade existing equipment and enhance brewing flexibility for multiple beverages within a single brewing platform.

The kit comes with a Bubble Tea Funnel and USB stick with software update for BUNN Infusion Series. The Recipe Temperature software feature and optimized brew funnel tip ensure complete saturation of tea leaves for enhanced flavor extraction that is necessary for a variety of quality Bubble Tea beverages.

**Compatible with any USB equipped Infusion Series® and Platinum Edition® models.**
