Sixty-nine percent of Healthcare foodservice operators report that breakfast and lunch are the two biggest growth opportunities\*. BUNN beverage equipment can help expand your menu to support trending dayparts. This set of recommended equipment covers every beverage type, is ideal for the Healthcare channel and addresses customer demand as well as operator profitability.

# COFFEE

Serve quality coffee for any plumbing set up, environment, or service volume

## MEDIUM VOLUME

**V Series Brewers**  
Simple switch control office coffee service that does not require plumbing or special wiring

**Infusion Series®**  
Achieve a variety of flavor profiles and batch options with programmable Digital Brewer Control, dial in your beverages with USB recipe programming, and tackle any environment with versatile serving options

## HIGH VOLUME

**Titan® DBC® Brewers**  
High volume solution using fresh ground coffee and featuring Digital Brewer Control with portable servers

# HOT WATER

**H3X - Precise Temperature Hot Water Dispenser**  
Compact, stylish and easily programmed, the H3X provides water in a range of temperatures from 60° - 212°F (15.6° - 100°C)

# BEAN-TO-CUP

Our single cup platforms offer high quality beverages for every taste, using a fresh and appealing Bean-to-Cup process

**Sure Immersion®**  
Cup after Cup of fresh, expertly extracted coffee

**Crescendo®**  
Authentic espresso enjoyed purely, or built into your choice of 9 premium cafe beverages

# COFFEE & TEA COMBOS

Reduce the cost of ownership by brewing coffee and tea from one platform

**ITCB Twin HV, Infusion Series® BrewWISE® DBC® Tea & Coffee Combo - High Volume**  
Achieve a variety of beverages with programmable Digital Brewer Control

# ESPRESSO

**Sure Tamp® Superautomatic**  
Simple solution for constant and consistent espresso beverages from a sleek, compact super-automatic

# COLD WATER

Keep hydrated with cold, purified water - with an option for long lasting sparkling water

**BUNN refresh® Counter Top & Tower**  
Cold purified water, dispensed sparkling or still

# FROZEN GRANITA/SLUSHY

Delicious, frosty beverages are the perfect compliment to a busy hospital

**Ultra® Frozen Systems**  
The BUNN Ultra 2 provides reliable service and flavor all day long, thanks to durable reverse auger technology

# CAPPUCCINO/ HOT CHOCOLATE

Treat your guests to comforting, hot beverages in a variety of flavors

**iMIX® Hot Beverage Systems**  
Sleek powdered beverage dispenser features a high-intensity mixing chamber that delivers hot drinks with exceptional reliability and taste

# JUICE

Serve orange, apple, cranberry, and other juices with reliable quality

**JDF Cold Systems**  
Cold beverage dispenser with High Intensity® mixing delivers superior drinks
