Nitron

Ninety-Eight percent of employees who have an espresso machine in their workplace report higher satisfaction*. Office beverage equipment should be intuitive to operate and allow employees to quickly and easily obtain their beverages of choice. This set of recommended equipment covers most beverage types, is ideal for the Office channel and addresses customer demand as well as operator efficiency.

COFFEE

Serve quality coffee for any plumbing set up, environment, or service volume

SINGLE CUP

My Cafe® MCO
Single Serve Cartridge Automatic Brewer

trifecta® Air Infusion®
Provide a truly unique experience with unfiltered Air Infusion

MEDIUM VOLUME

SmartWAVE Brewers
Simple switch control office coffee service that does not require plumbing or special wiring

V Series Brewers
Simple switch control office coffee service that does not require plumbing or special wiring

Infusion Series®
Achieve a variety of flavor profiles and batch options with programmable Digital Brewer Control, dial in your beverages with USB recipe programming, and tackle any environment with versatile serving options

HIGH VOLUME

Titan® DBC® Brewers
High volume solution using fresh ground coffee and featuring Digital Brewer Control with portable servers

COLD WATER

Keep hydrated with cold, purified water - with an option for long lasting sparkling water

BUNN refresh® Counter Top
Cold purified water, dispensed sparkling or still, no plumbing required

BUNN refresh® Tower
Plumbed tap dispense

COLD BREW & ICED COFFEE

Smooth cold brew and velvety nitro infusion

Nitron® Cold Draft Dispenser
The BUNN Nitron delivers authentic cold brew taste without a lengthy brewing process, and the Nitro tap infuses your beverages with a cascade of microbubbles, creating a velvety-soft mouthfeel without milk or sugar

BEAN-TO-CUP

Our single cup platforms offer high quality beverages for every taste, using a fresh and appealing Bean-to-Cup process

Crescendo®
Authentic espresso enjoyed purely, or built into your choice of 9 premium cafe beverages

Sure Immersion®
Cup after Cup of fresh, expertly extracted coffee

GRINDERS

Multi Hopper
Portion controlled for the right amount of coffee every time, with 3 batch sizes per hopper

ESPRESSO

Sure Tamp® Superautomatic
Simple solution for constant and consistent espresso beverages from a sleek, compact super-automatic
