Coffee sales in the QSR channel have grown 41% since 2011*. “Quick Serve” Restaurants need more than quickly prepared quality food; they need a beverage program that can provide the same speed and volume of service. This set of recommended equipment covers every beverage type, is ideal for the Quick Service channel and addresses customer demand as well as operator profitability.

COFFEE

Serve quality coffee for any plumbing set up, environment, or service volume

Infusion Series®
Achieve a variety of flavor profiles and batch options with programmable Digital Brewer Control, dial in your beverages with USB recipe programming, and tackle any environment with versatile serving options

GRINDERS

Serve quality coffee for any plumbing set up, environment, or service volume

Multi-Hopper Grinder & Storage System
An intuitive, automatic coffee grinding system that handles multiple bean varieties

G9 Weight Driven Grinder
Weight-based, portion-control for the right amount of coffee every time with 3 batch sizes

COLD BREW & ICED COFFEE

Smooth cold brew and velvety nitro infusion

Nitron® Cold Draft Dispenser
The BUNN Nitron delivers authentic cold brew taste without a lengthy brewing process, and the Nitro tap infuses your beverages with a cascade of microbubbles, creating a velvety-soft mouthfeel without milk or sugar

ESPRESSO

Sure Tamp® Superautomatic
Simple solution for constant and consistent espresso beverages from a sleek, compact super-automatic

ICED TEA

Fresh tea made simple

ITB-DD & ITB-LP Infusion Series® BrewWISE® DBC® Tea
Achieve a variety of beverages with programmable Digital Brewer Control

FROZEN GRANITA/SLUSHY

Delicious, frosty beverages are the perfect compliment to a quick-service environment, and a great option for dessert on a kid's menu

Ultra® Frozen Systems
The BUNN Ultra 2 provides reliable service and flavor all day long, thanks to durable reverse auger technology

CAPPUCCINO/ HOT CHOCOLATE

Treat your guests to comforting, hot beverages in a variety of flavors

iMIX® Hot Beverage Systems
Sleek powdered beverage dispenser features a high-intensity mixing chamber that delivers hot drinks with exceptional reliability and taste

JUICE

Serve orange, apple, cranberry, and other juices with reliable quality

JDF Cold Systems
Cold beverage dispenser with High Intensity® mixing delivers superior drinks
