

Where is my Date Code?

Date Codes can be found in three possible locations depending on your brewer model.

- 1 PRONGS OF ELECTRIC PLUG**
Four digits on one of the metal prongs of your power cord, and two digits and two letters on the other prong. (example: 2735 12CS)

- 2 BACK OF BREWER**
Sticker on the lower back of brewer

- 3 BOTTOM OF BREWER**
Sticker attached to the bottom baseplate of your brewer.
Note: Allow water in tank to cool. Drain water before turning over.

- 4 BOTTOM OF BREWER**
Etched into the base of coffeemaker.
Note: Allow water in tank to cool. Drain water before turning over.
